## Experience

---

### Hardees / Cook/Cashier

June 2017- March 2018

Prepped and prepared food for the store, stocked goods and cleaned the store.

As a cashier, handling money and food for the customer were the requirements as well as store cleaning.

### Kroger / Courtesy Clerk

March 2018 - July 2018

Customer interaction, bagging groceries and gathering carts were the requirements. Making sure each customer is satisfied was top priority.

### Exceed Technologies / Intern

April 2019 - May 2019

Observed and shadowed employees, getting hands on experience in running cables, disassembling and reassembling laptops, making face to face connections with customers and helping with extra work around the office.

---

## Education

---
